GROWING LEADERS

Healthy churches grow as they release people to grow as leaders - people of influence who are led more by Jesus, lead more like Jesus and lead more to Jesus. Our Deanery is offering the excellent "Growing Leaders" course to aid this. This is for you if you want to grow as an effective leader in our childrens' groups, homegroups, church council, your influence in the community or workplace. To find out more, please pick up a leaflet from church and come to the Taster morning at St Michael's Stoke Gifford on Saturday 12th November; 10am - 12noon.

DCC UPDATE

* Parish Share. We discussed the new scheme and request from the Diocese in the light of our budget for 2017. We are continuing to pray that our budget is shaped by our vision and direction.

* New DCC members. We are currently two members short of a full council. Please pray about who may fill these interim roles until our next Annual meeting in April. Please speak to /email / phone Paul with any potential names.

* We received a report from the recent lively Diocesan Synod meeting, particularly addressing new and younger vocations to ministry and the place of young people in our churches. The outline report is posted on our notice board and is available on the Diocesan website.

A supply of pre-printed shoeboxes is available for a small donation from the office. Leaflets which include the donation envelope are in the foyer. The deadline for completed boxes is **Friday 18 November**.
