NEW HOUSEGROUPS - WHY NOT COME ALONG...?

A Monday night housegroup hosted by Kandis Douglas and Paul Hotchkiss has been meeting for a few months, and a new Tuesday night housegroup hosted by Chris and Cat Beaumont is starting up in the New Year.

Housegroups are where we grow stronger relationships with each other and grow deeper relationships with God. If you think you'd like to join one of these groups, or one of our more established groups, please talk to one of the respective hosts or to Paul.

PCC UPDATE – SECRETARY VACANCY

Our PCC [the council of Trustees that oversees the Church Councils of both CtK and HTC] has a vacancy for PCC Secretary. This important role is a bit like a Company Secretary, rather than a minute-taking secretary, working with Paul to oversee the Agendas and distribute papers and agendas, responsible for keeping on top of the legal and constitutional basis of our councils. If you are interested in this role, please speak initially to Paul, who will be glad to furnish you with a job description.

FIRST STEPS EMERGENCY TEAM

This past week has shown that when First Steps is cancelled because of family illness amongst the organisers it is very much missed by the local community. It has been mooted that an ‘emergency team’ might be appropriate in such circumstances to put out the toys, open the doors and have a brew. It would purely be a play session without the need to take money, tell the usual story or finish with singing. If you would be prepared to help out at short notice on these rare occasions please speak to Jess, Liz or Dave in the office. **Please note that the Thursday morning session will cease after 9th February.**
