## CHURCH COUNCILS REPORT

Our church councils - for the parish and for each church - met on Monday 21st May as first meeting of our new season. We took time to allow members to get to know one another, establish and re-establish our working practices and responsibilities. We took a short time to consider the interactions between our council bodies and programme of dates for the year. We received reports regarding our responsibilities for Safeguarding and Data Protection, and prayed together. Please pray for the members of our church councils and our parish Leadership Team as we discern God's direction and calling on our churches as we uphold our values, pursue our priorities in our individual churches and our joint ventures. Please also pray for the people of God's calling to fill our CtK vacancies for PCC and Deanery Synod and a Warden to represent and support CtK. Thank you.

## LISTENING TO GOD: LORD SPEAK, YOUR SERVANTS ARE LISTENING

This week our churches begin our next sermon and homegroup series - recalling the many ways in which God speaks to his children - you and me. Each week we take a different aspect of listening to God, through the lens of one or two of the many characters in the Bible that heard their loving Heavenly Father speak to them. We hope and pray this will help us all tune ourselves in to all that God wishes to say to each of us - individually and collectively. Please take a copy of the flier to guide your prayers and preparation for our worship and our homegroup learning from scripture. Thank you. I pray that we will all be enriched in our life with God and our life together through our learning. Paul and the Leadership Team.
